Welcome to the Piano Academy at Texas A&M University-Commerce. We are very excited to have the opportunity to work with you and help you develop your or your child's musical skills. Please read the academy policy carefully and return the completed registration form. This is considered a contract between the parent and the academy. If you have any questions concerning this information, please contact me and I will be happy to address any concerns.

**2023 Summer Schedule 8 lessons**      30-minute lessons - \$185  
45-minute lessons - \$258  
60-minute lessons - \$320

The cost of music, other materials, and festival fees that will be needed during the semester are not included in the tuition. All fees are non-refundable. Once a specific schedule of dates for lessons is agreed upon, no changes can be made. Lessons must be completed by August 28, 2023.

There is an option to have less than eight lessons. If the teacher and student agree on a different number of lessons, a prorated fee will be determined by the director for summer tuition. Once the schedule is agreed upon, no changes can be made.

### **Make-up Lessons**

There are no make-ups for summer lessons. Lessons scheduled on legal holidays will be made-up due to instructor cancellation or if A&M University-Commerce is closed due to inclement weather or other unforeseeable circumstances.

### **Musical Expectations**

Students are expected to develop consistent practice habits to enjoy the benefits of piano lessons. Parents are encouraged to assist students in planning their weekly schedules to incorporate practice sessions on a daily basis. There is no end-of-term recital in the summer as is found in the fall and spring semesters.
